Alma Mater now before you

Blue and Gold stand tall and proud

We've today set forth a name

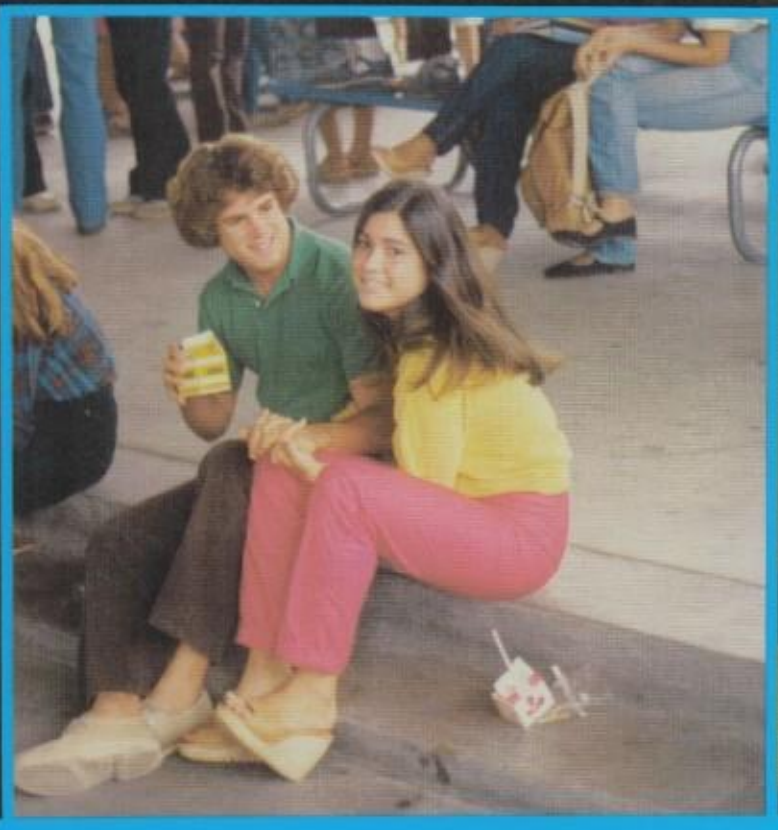

that's brought from yesterday.

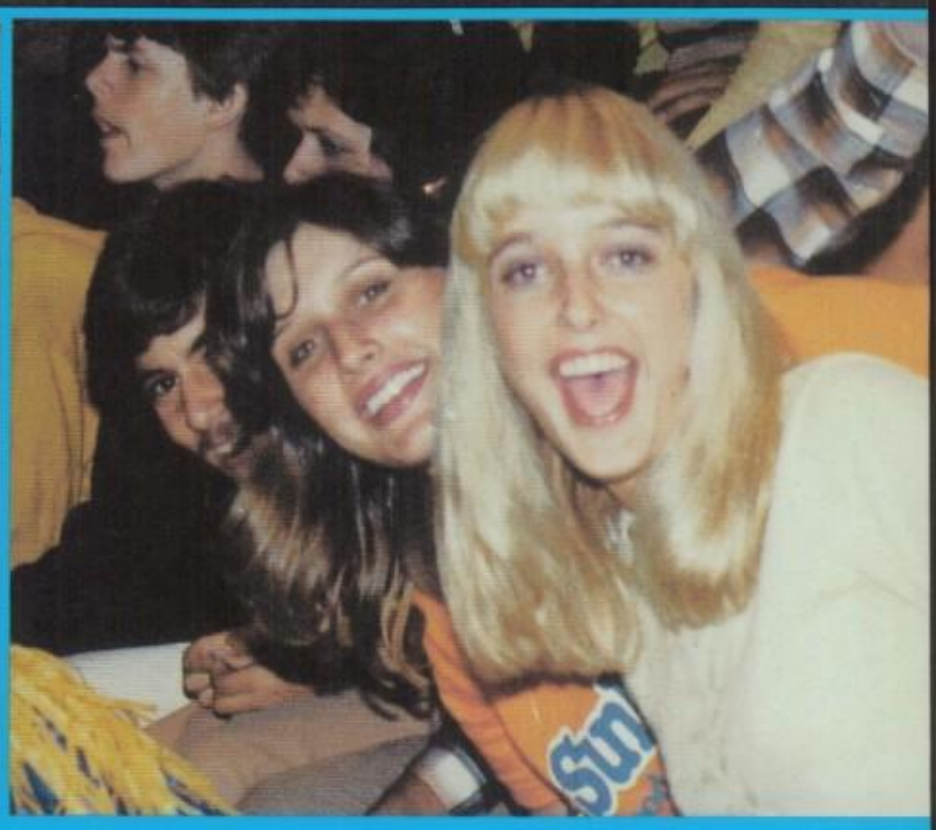

Echoes always shall remain

through all space and for all time so,

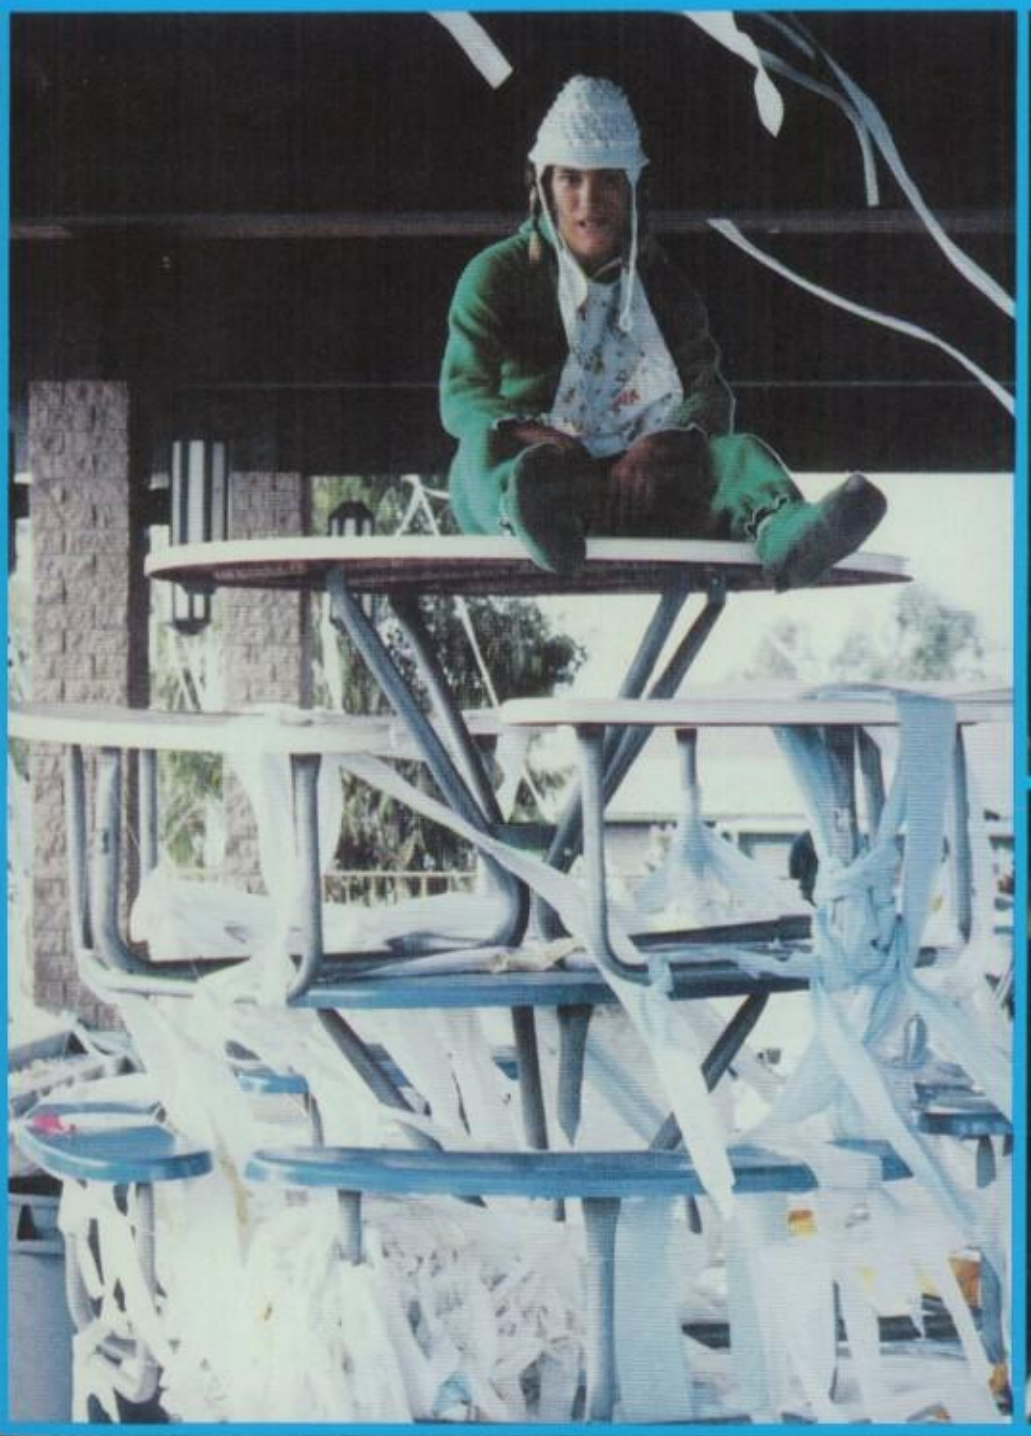

Proudly now our voices say

ALL Hail! EL TORO HIGH

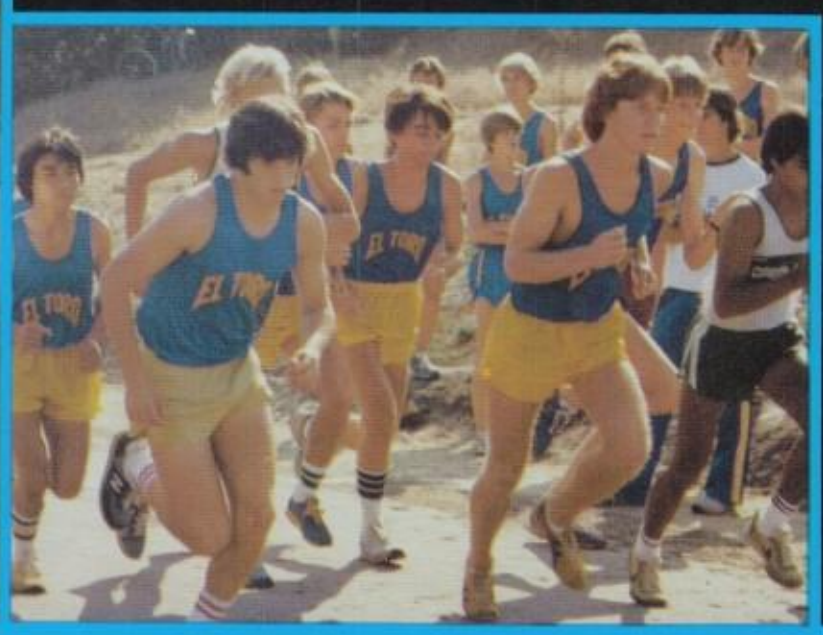

If I had a day that I could give you, I'd give you a day just like today. If

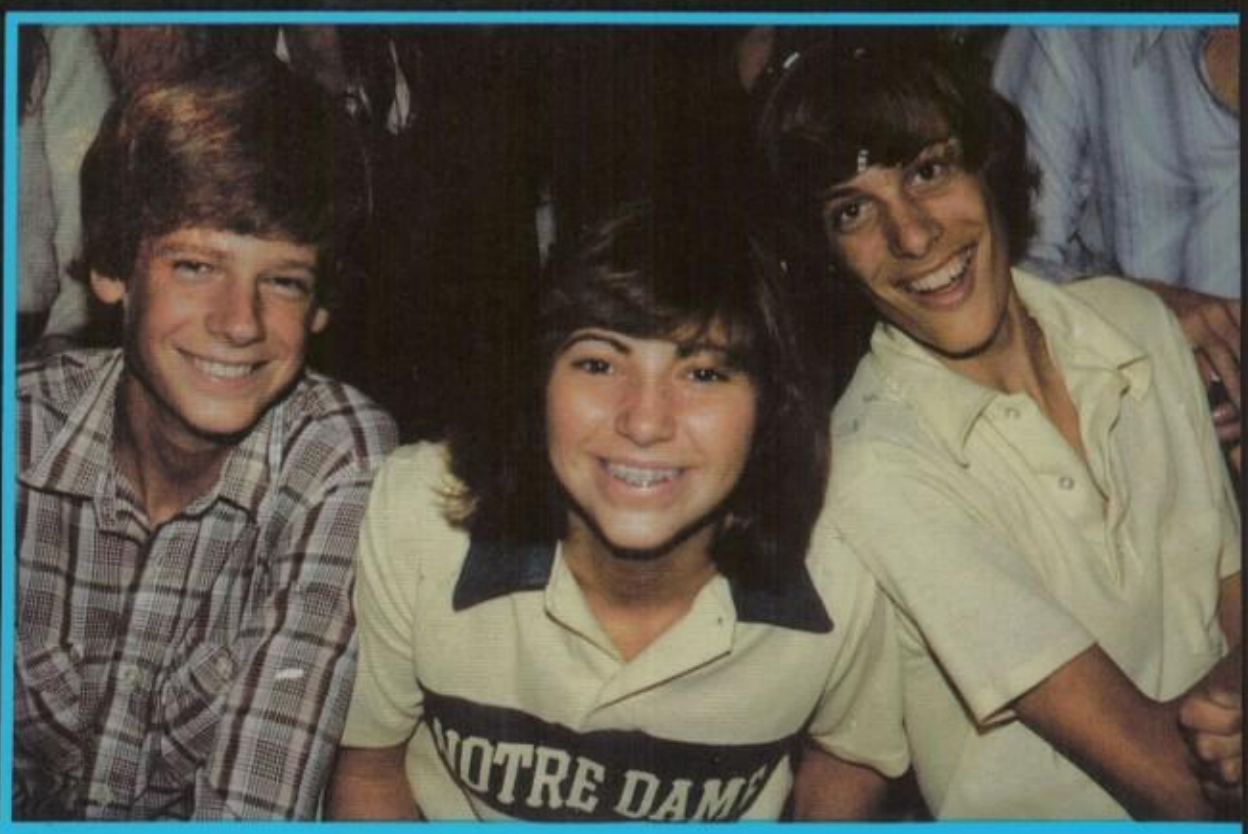

ad a song I could sing for you, I'd sing a song to make you feel this way.

Sunshine my shoulders makes me happy, sunshine in my eyes can make me

.Sunshine on the water looks so lovely, sunshine almost always makes me high.

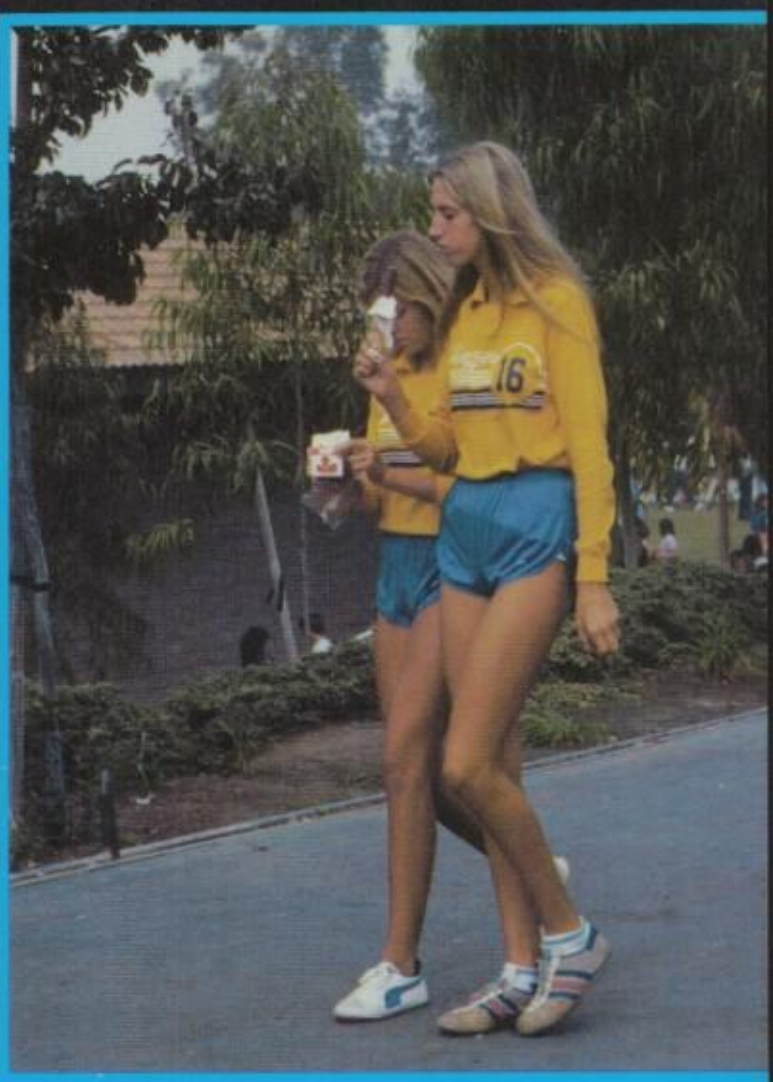

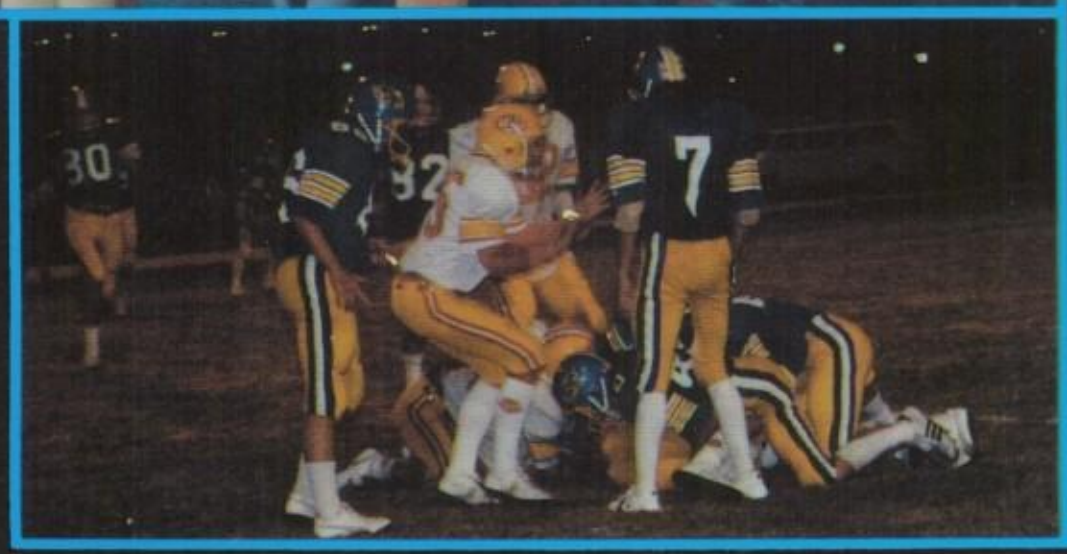

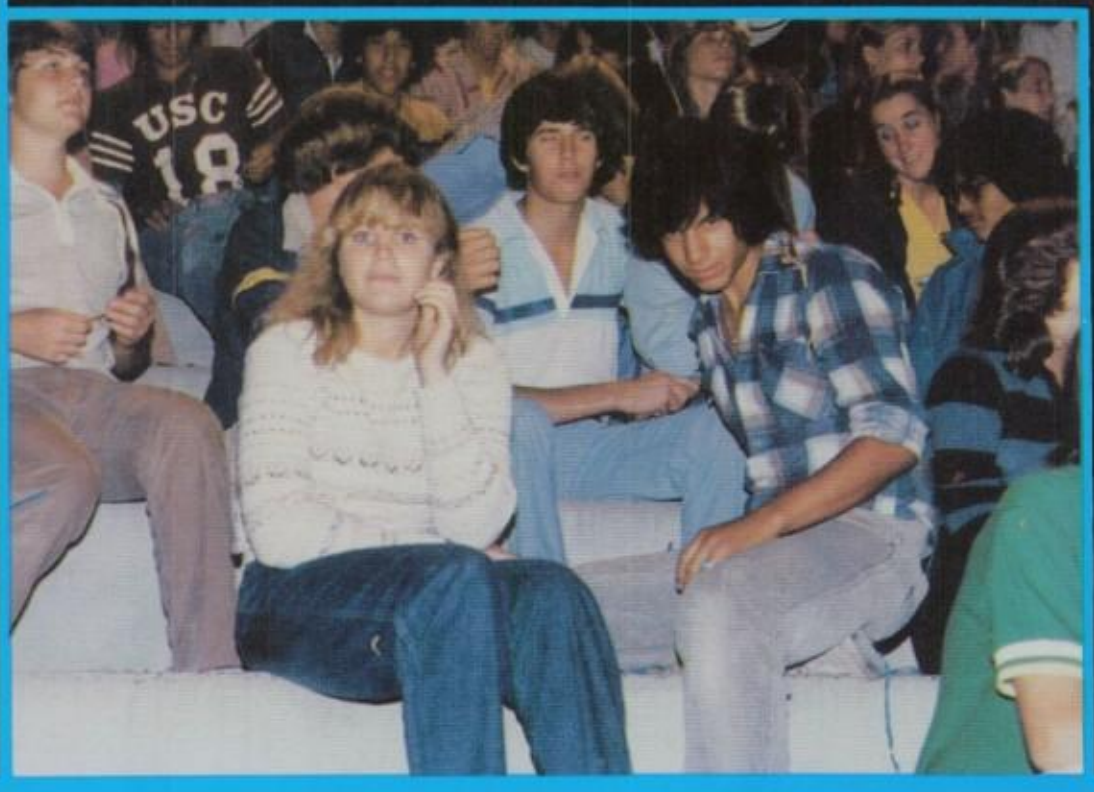

If I had a tale that I could tell you, I'd tell a tale sure to make you smil

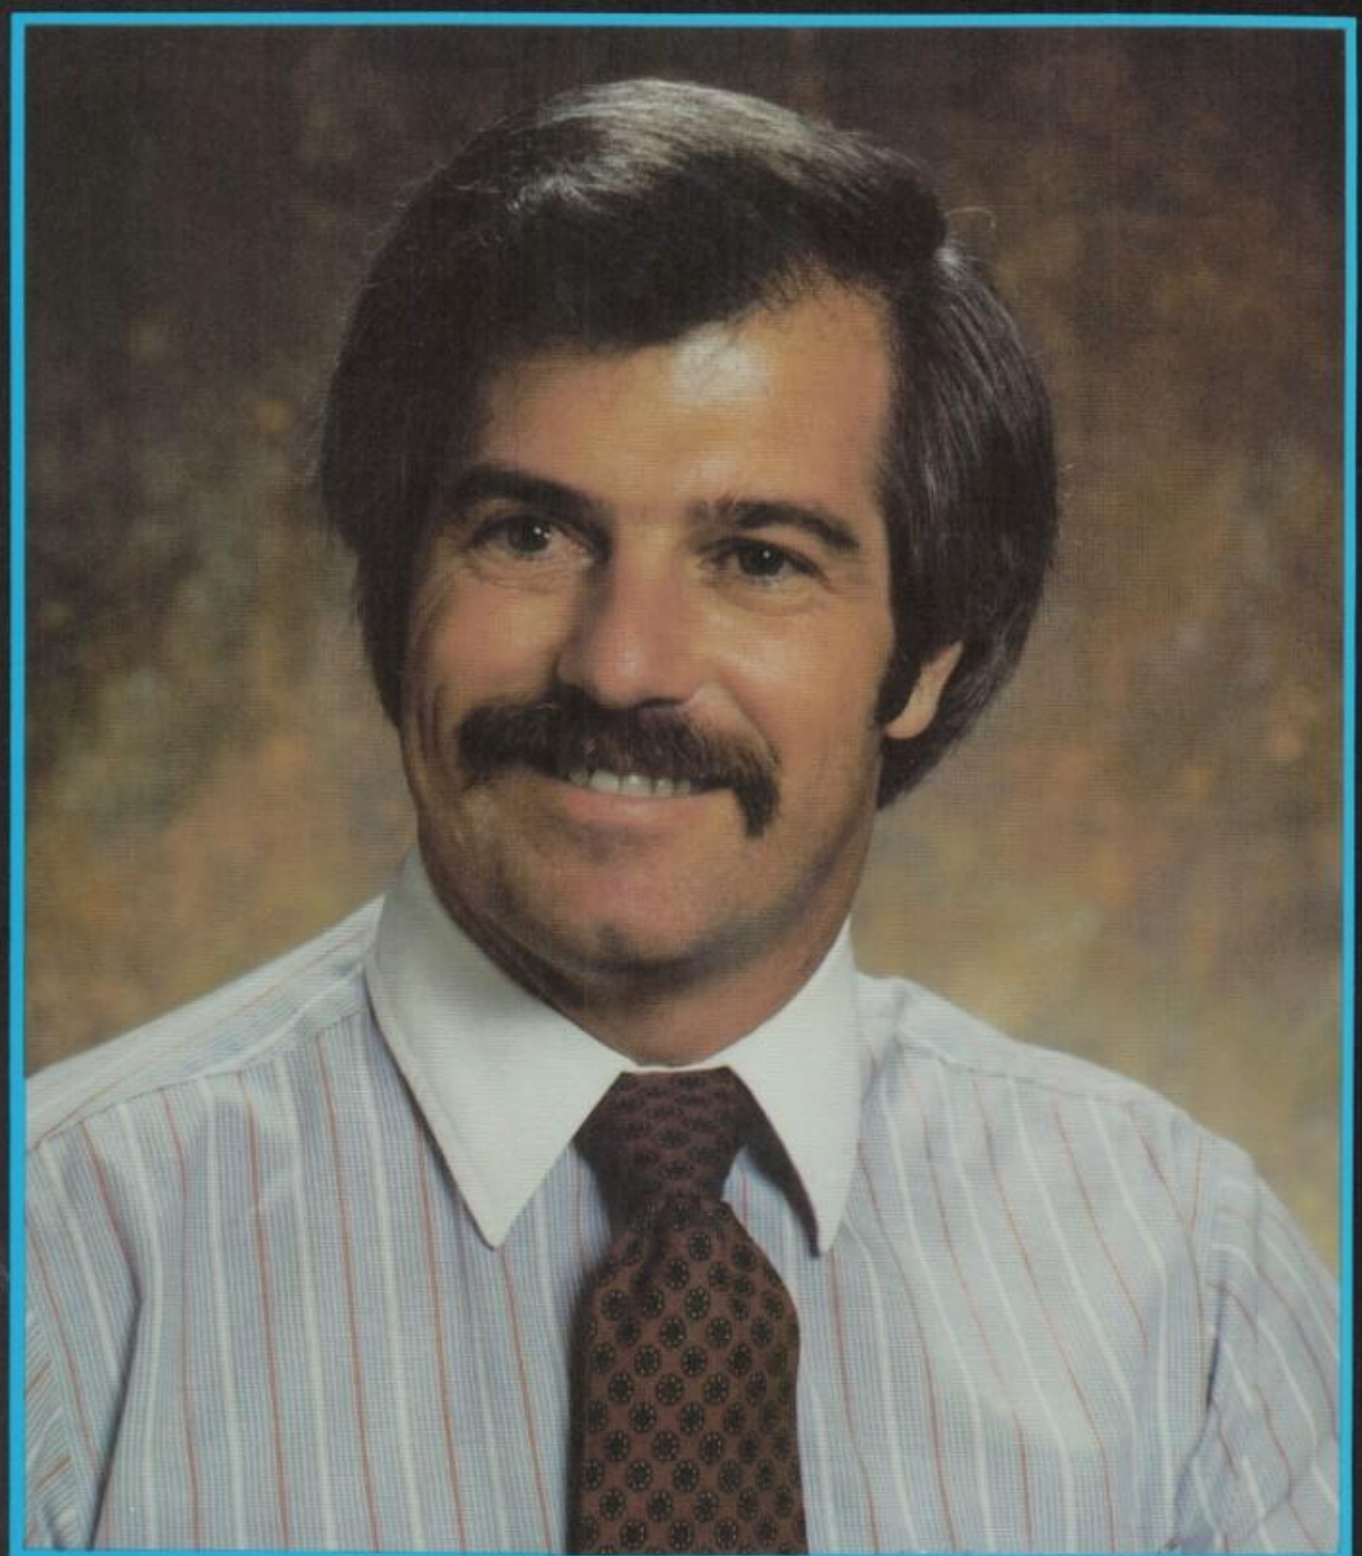

I had a wish that I could wish for you . . . John Denver

# Dedicated to Mr. Tim Allen

A building is no stronger than its foundation, and a school is no better than the staff and teachers that compose it. El Toro High School has been fortunate enough to have been built on a foundation of intelligence, integrity, and sincere helpfulness.

Throughout his four years at El Toro High School, Mr. Tim Allen has combined these three qualities with many others to benefit the school. As the assistant principal, he has worked to develop the curriculum through class evaluations and working side by side with the different department heads.

Mr. Allen is also in charge of the Hart Bill Testing and through his work, Help Classes have been developed.

The Excellence Awards also fall under his supervision. Through this program he feels students are encouraged to work harder.

The last set area of his job involves student counseling. As dean of students, A through D, he deals with and tries to solve their problems.

This counseling, however, goes beyond the job. It is through group sessions and family meetings that he attempts to straighten out the lives of confused students.

One major way Mr. Allen has helped students, as well as the community, is through the Drug and Alcohol Program. He felt that expelling the students involved with drugs was only pushing the problem away. By taking on the responsibility of the program, he felt he could reach the students and their families. Through the promotion of the Drug and Alcohol Program he has helped to keep students in school, bring parents and children together, and raise the awareness of the community.

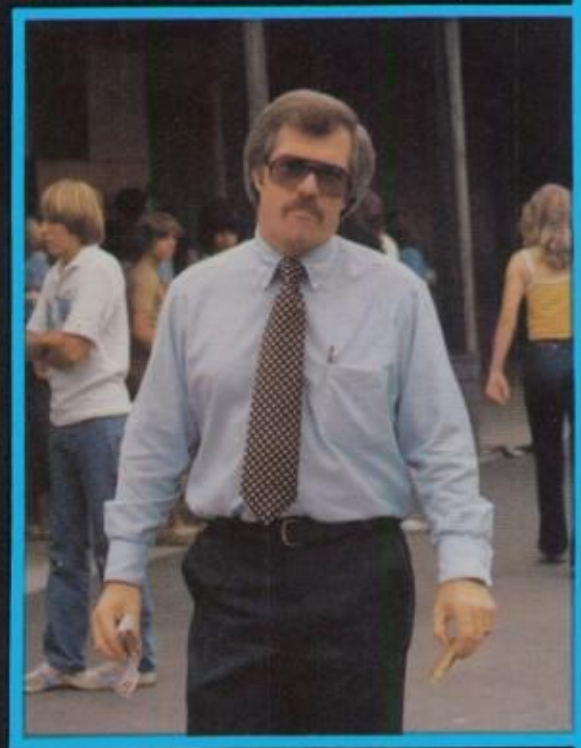

El Toro High School was the first to institute this program and now it has been adopted by Laguna Beach and other high schools.

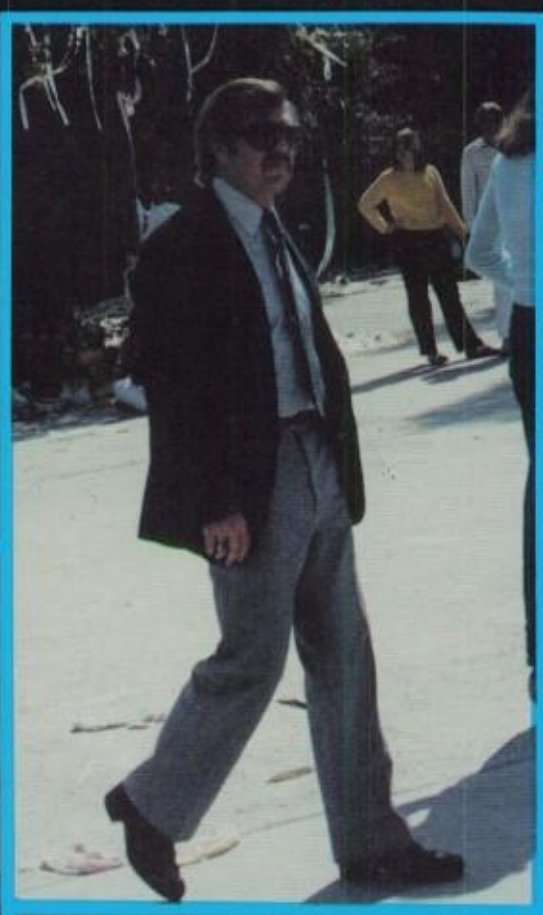

Mr. Allen has also been asked to speak at family sessions and other group meetings about starting these programs in other places.

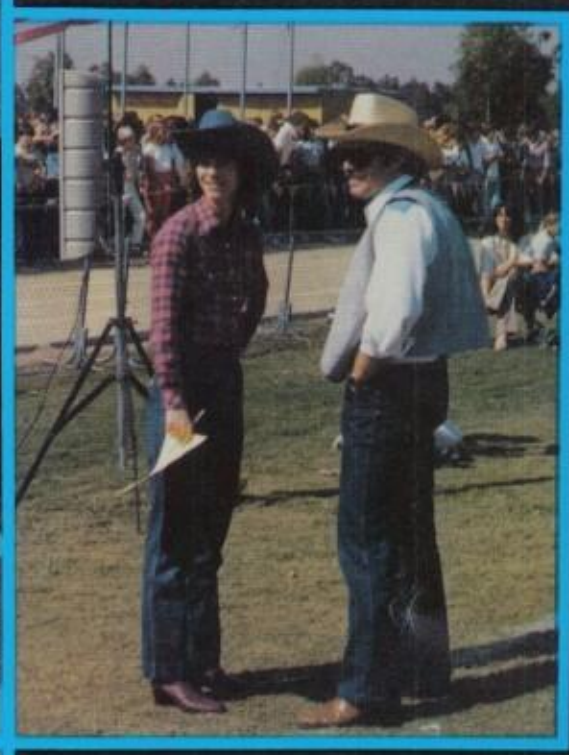

"If we help just one student the program will be worth all the work," said Mr. Allen.

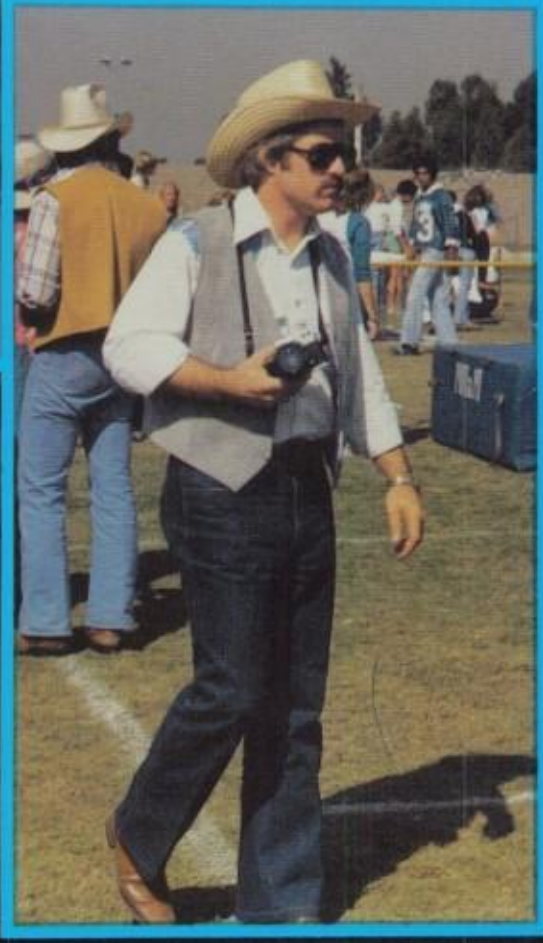

He also enjoys attending many school activities, because in everyday situations he tends to deal mainly with problem students. But by going to games and other functions, he can see the students performing to the best of their abilities. By coming in contact with the students in that type of situation he feels they will also come to him for help.

Many of the things that Mr. Allen does are a part of his job, but he goes above and beyond this through his helpfulness. Without Mr. Allen as part of the El Toro High School staff, there would be a great void that would be near impossible to fill.

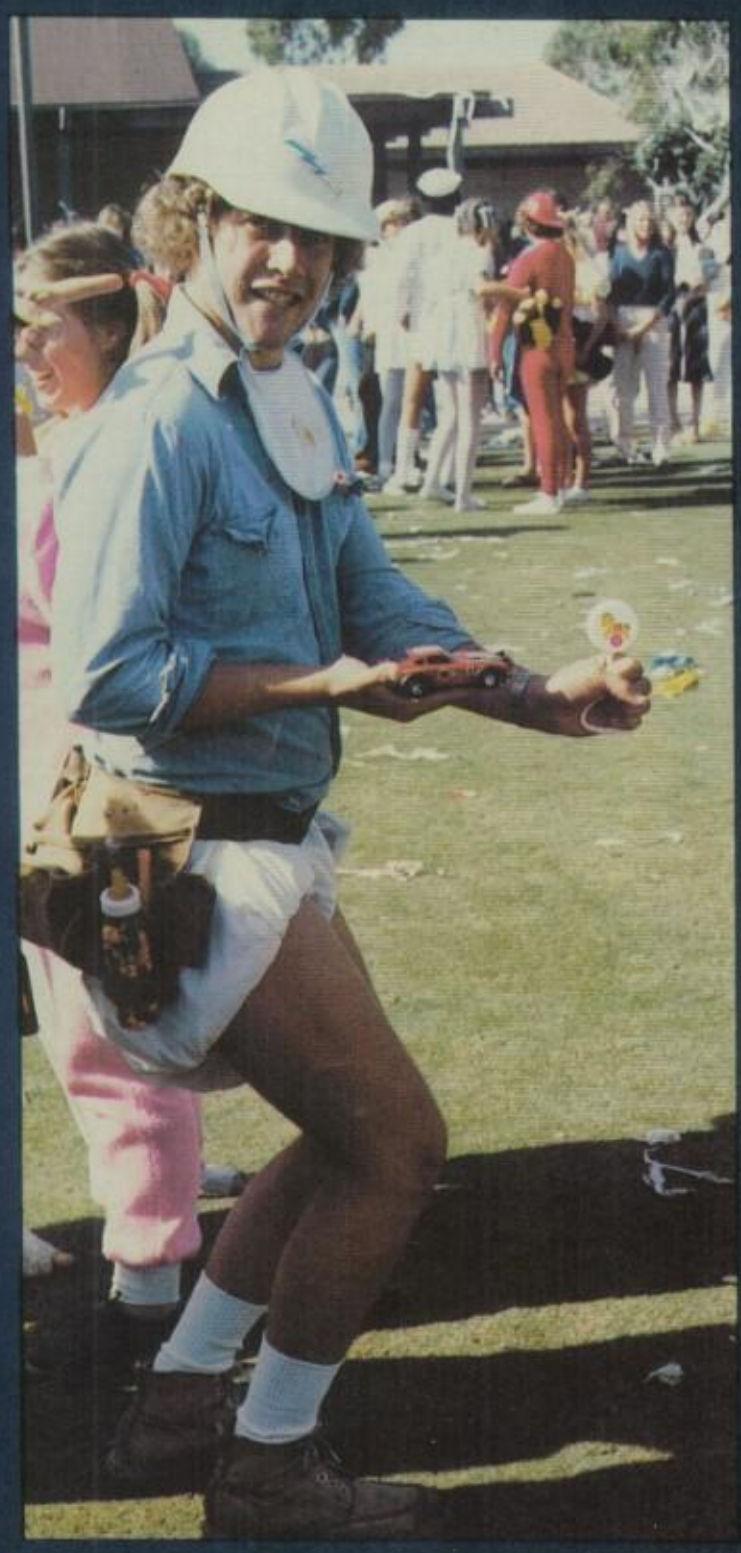

# ACTIVITIES

# Seniors show Baby Day spirit

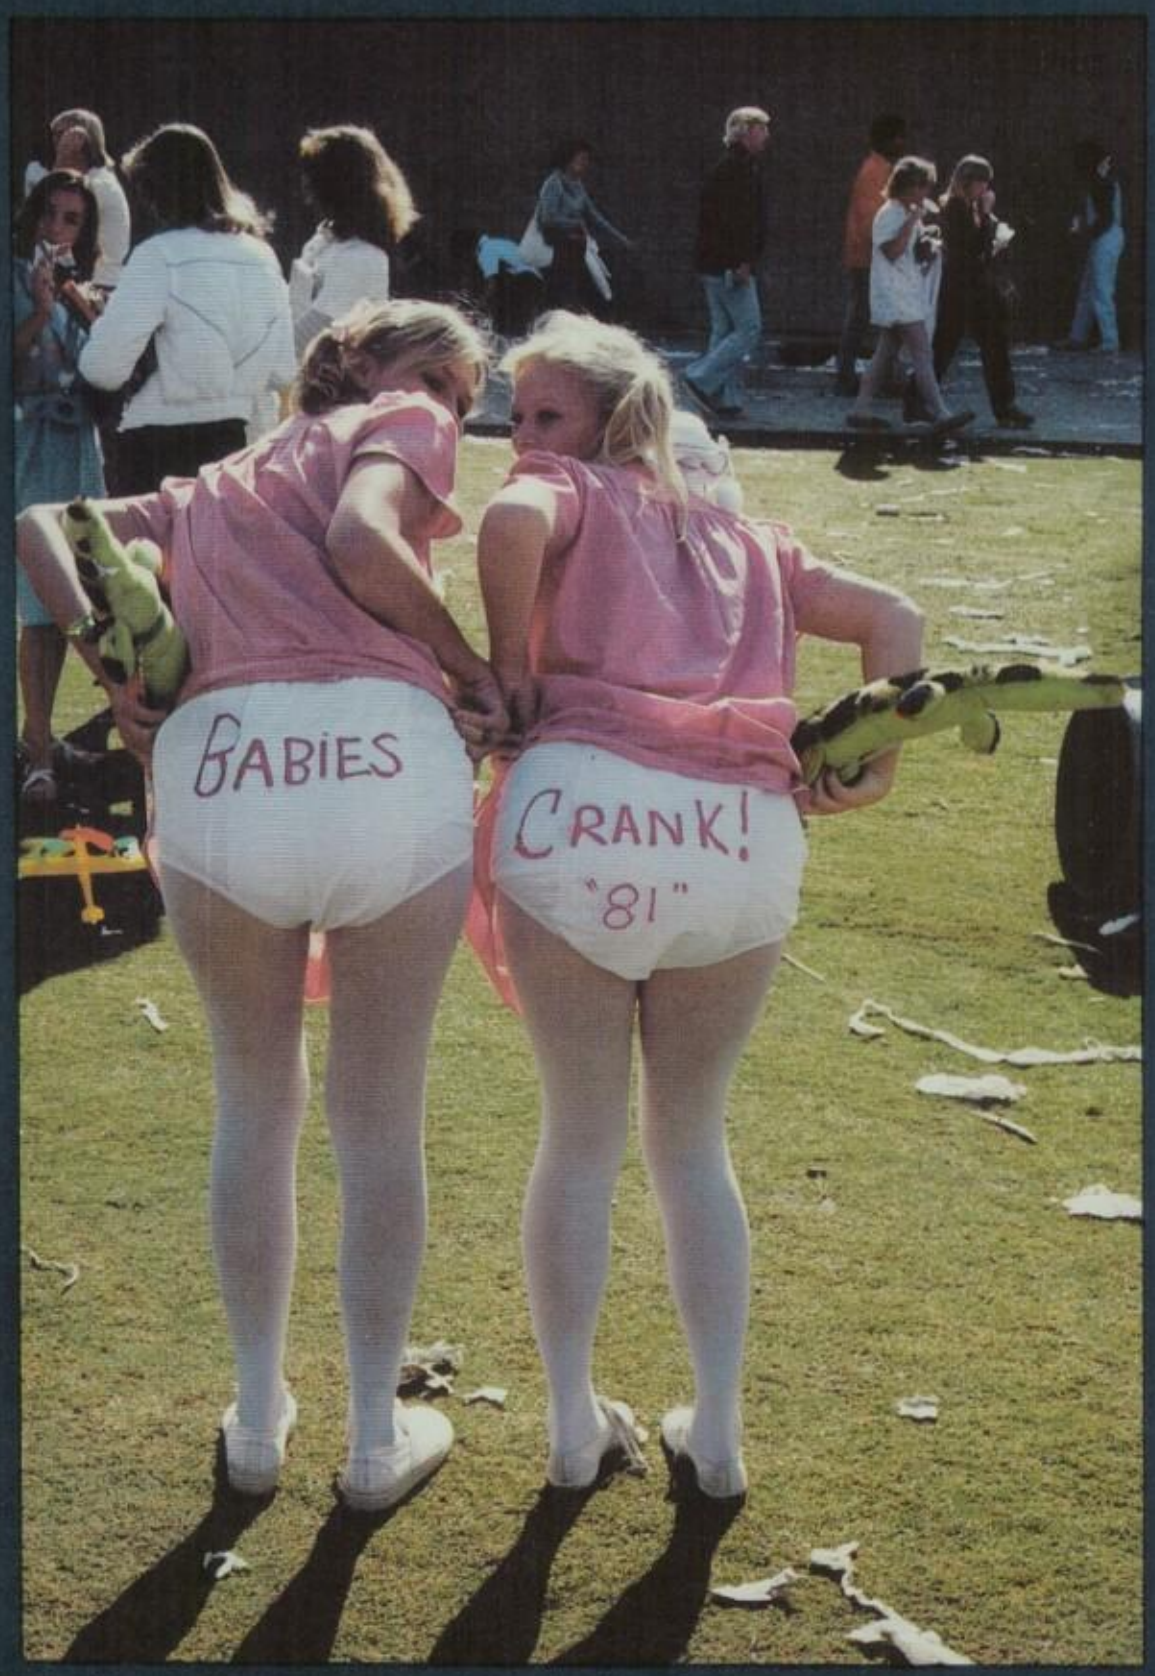

The 1981 senior class of El Toro High School really worked hard on Spirit Week and their hard work paid off on Thursday, October 16. The campus was totally decorated. It was obvious that Baby Day had come. During snack the senior babies played ring around the rosey and had a crying contest. At lunch the babies had a crawling contest and chose the best dressed baby. Senior Baby Day was really an exciting event and is sure to be remembered by all the seniors who took part in it.

# Juniors win Spirit Week.

With much work involved, the 1982 junior class of El Toro High School won Spirit Week. Their theme was the 50's. The juniors decorated the 500 hall with a real juke box and lots of posters. To top it off, they even had a huge "A" for Arnold's on top of the building. A band played during lunch and everyone danced. The juniors 50's day was a great success!

# Sophomores are hillbillies for Spirit Week

The 1983 sophomore class of El Toro High School dressed as hillbillies for Spirit Week. Many people participated and the sophomores decorated their hall very well. On the doors to the hall, they drew two posters of hillbillies. Inside the hall they had a picket fence, signs and two stuffed dummies dressed as hillbillies. Although the sophomores placed fourth in Spirit-Week, they were a very spirited group of hillbillies!

# Faculty rounds up western gear

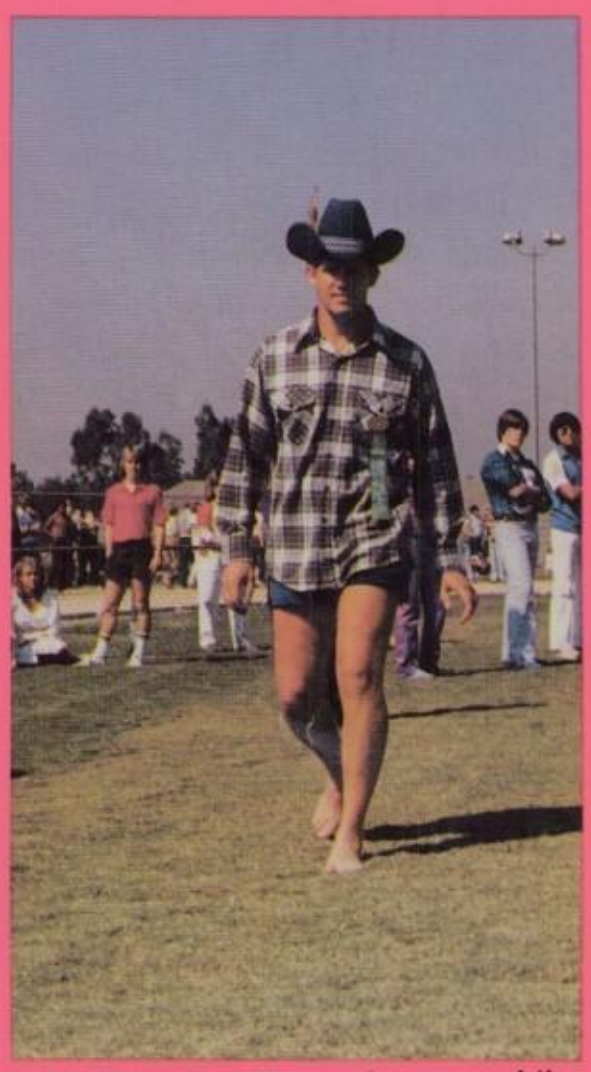

The faculty dressed western for Spirit Week. Their participation was outstanding. Much creativity was shown through the costumes of the faculty. The administration workers dressed as square dancers. Mr. Jerry Miller even went as far as to wear a mustache. The campus abounded with many costumes. The main question that hung in the air on October 17, 1980 was- What is the date? October 17, 1980 or October 17, 1880?

# CLASSES

# Seniors show promise for the future

In the past four years, the class of 1981 has shown El Toro High School the meaning of true spirit. Each year they've ranked high in Spirit Week and class competitions. In their junior year, they literally ran away with Spirit Week. Although they gave up their crown and settled for second place this year, they showed as much spirit and enthusiasm as ever. Baby Day was a great success this year. The seniors spent the night before "decorating" the El Toro campus inside and out, beyond recognition. Their hall was uniquely decorated and included a swing set and hundreds of dolls, stuffed animals, little red wagons, and baby toys. Following the decorating of the campus, the seniors gathered at various restaurants for their annual Baby Day Breakfast.

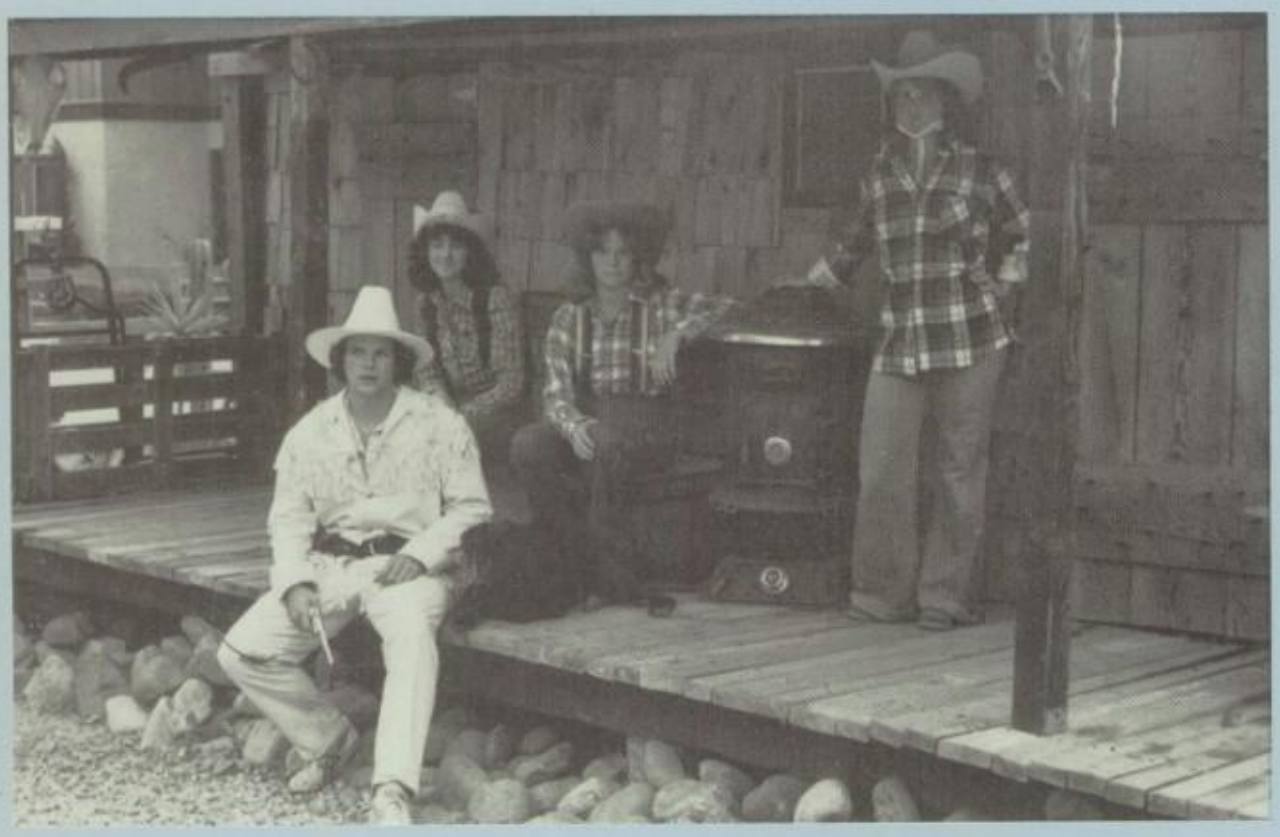

According to class advisors Ms. Trudy Beck and Mrs. Christina Ellerbroek, one of the things that made this senior class stand out above the others was "a higher level of maturity and a sense of good taste." The advisors Mr. Larry Nitta, Beck and Ellerbroek all agree that this year's officers were very "organized, creative, easy to work with and able to reason through situations in a mature, logical manner."

Fred Heath, president, was very enthusiastic about planning the senior activities, such as Grad Night and the Senior Picnic.

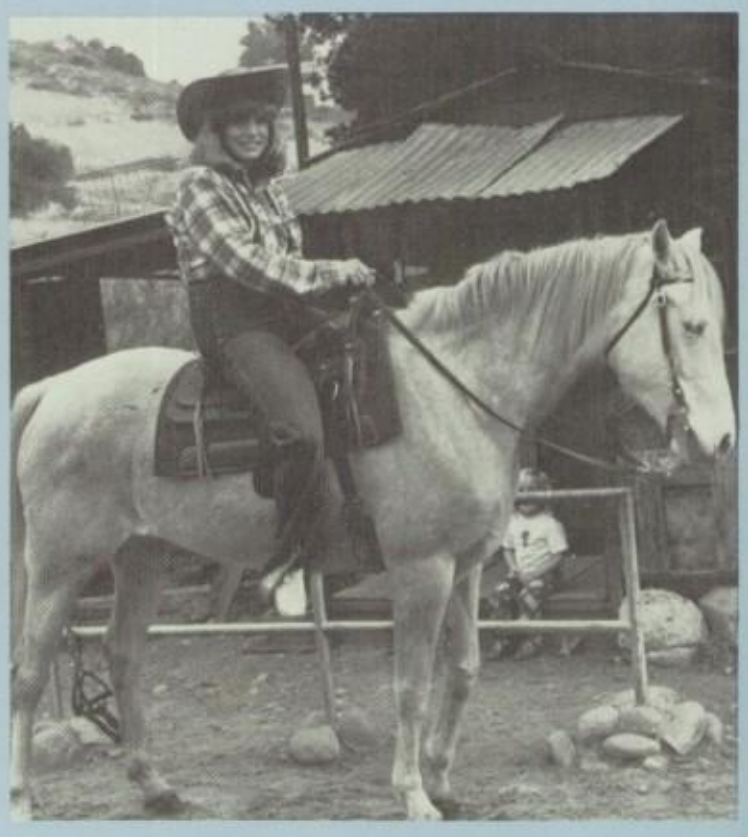

The senior class, on the whole, was very eager to be involved in the senior activities, as well as the other school activities. Asked what he thought about the senior class, Nitta answered, "I think they will leave El Toro as one of the best all-around classes ever."

# SOPHOMORE CLASS OF '83

Thea Fox takes time out to smile while talking to her teacher.

Deanne Lykins, president

1980-81 was not a good year for the sophomore class of '83. They put a lot of effort and spirit into this year, but the cheering, rowdiness, and great hillbilly costumes during Spirit Week brought them last, but not least, fourth place. Even though they didn't do so well this year don't give up hope, because they have the will and the spirit to make it to the top in the next two years. Look out for the class of '83 because they're movin' up.

# Freshmen class of '84

Being a Freshman means something different to each one of us. It usually symbolizes a new beginning with a somewhat shaky existence, but the Class of '84 has shown us that they are not what you might call "typical" Freshmen. The Class of '84 took third place honors during Spirit Week. They displayed an attitude for participation unlike any seen in previous years. So watch out for the class of '84. They've got the spirit like no other class.

# Varsity finishes a difficult season

Returning only thirteen lettermen, the Varsity Football team started out with some pretty tough breaks. After losing three of five preseason games it seemed that it would be a pretty rough season. Then came the surprises. In the first two games they shut-out the opposing teams, and in the homecoming game against University they almost had a shut-out with the other team scoring in the last few minutes of the game. The team, headed by Coach Bob Johnson, seemed to psych themselves up before each game and take hold of their potential and made it work.

# Greg Pacos is honored as athlete of the year

Greg Pacos, chosen Athlete of the Year, began his high school years as a promising athlete. He was actively involved in the athletic program by participating in three sports- football, basketball and baseball.

As a sophomore, Greg was unable to play football due to an unfortunate car accident. After his rehabilitation, he played JV basketball.

Coming back strong in his junior year, Greg was chosen First Team All-Sea View League tackle in football. He also played varsity basketball helping the Chargers to a fairly victorious season.

As a senior, Greg's athletic ability performance was clearly the best. He won an abundant amount of awards and honors. These included the following: First Team All-Orange County, First Team All- Sea View League, and First Team All-CIF. He has maintained at least a 3.5 grade point average and as a result has received the Principal's Award each semester since his junior year. He was chosen Co-Most Valuable Player by his teammates and earned Player of the Week five times throughout the season.

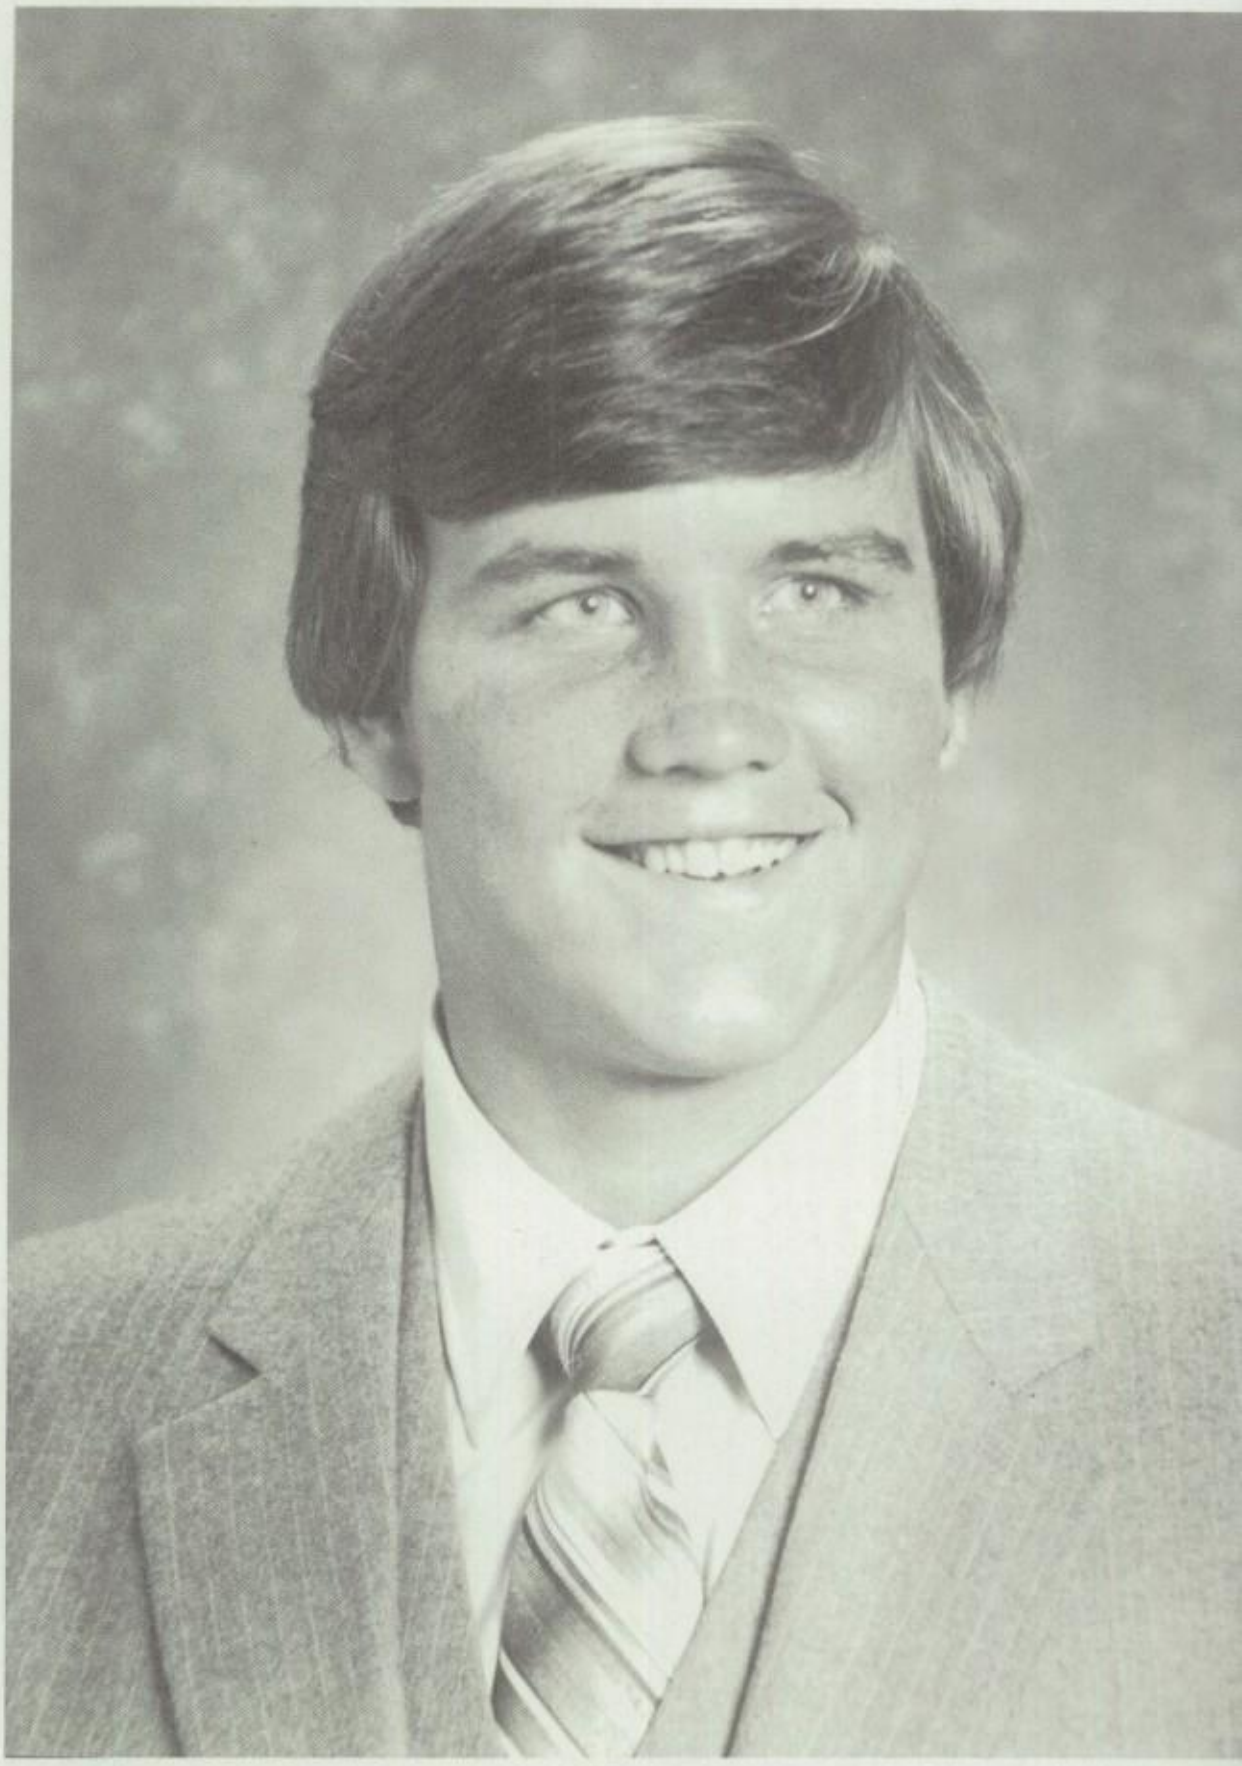

Co-South Coast Plaza Player of the Year went to Greg as well as the National Foundation Scholarship Award. This award was based on athletic ability and academic grades. Only fifteen boys were chosen in Orange County. Greg was again honored by being chosen to play at the East-West Shrine Game at the Rose Bowl. Greg was the first person from El Toro High School to receive this honor.

Varsity Football Coach Bob Johnson commented, "Greg is obviously an outstanding scholar-athlete. We are going to miss him very much, but I know he will do well in college academically and athletically."

Greg also played a vital part on the basketball team. He was awarded Honorable Mention All-League. He averaged 10.1 points per game and was the team's leading rebounder. He was named Player of the Week three times.

Varsity Basketball Coach Tim Travers said, "Greg is a great person and I certainly enjoyed coaching him. The success that he has achieved has come through hard work and natural ability. He deserves all the honors he has earned."

Greg's senior year was highlighted with a full four year athletic scholarship to the University of Pacific-Stockton.

Terri also played varsity basketball for four years. As a sophomore, she had the most points in a game and in the season, the most assists, and captured the coveted Most Valuable Player award. As a senior, she was once again the recipient of the Coach's Award. Terri played the point guard position and was one of four captains.

Terri's third sport was water polo. She played as a junior on the JV team, then as a senior on the Varsity team. Terri was the first girl in the history of El Toro High School to receive a Boys' Varsity letter. She was selected player of the week against Corona del Mar and was nominated for the Most Inspirational award. Varsity Water Polo Coach Jeff Grosse commented, "Terri is a very dedicated and hard worker. I think it took a lot of courage for her to compete against the boys, but she worked to the best of her ability and played successfully."

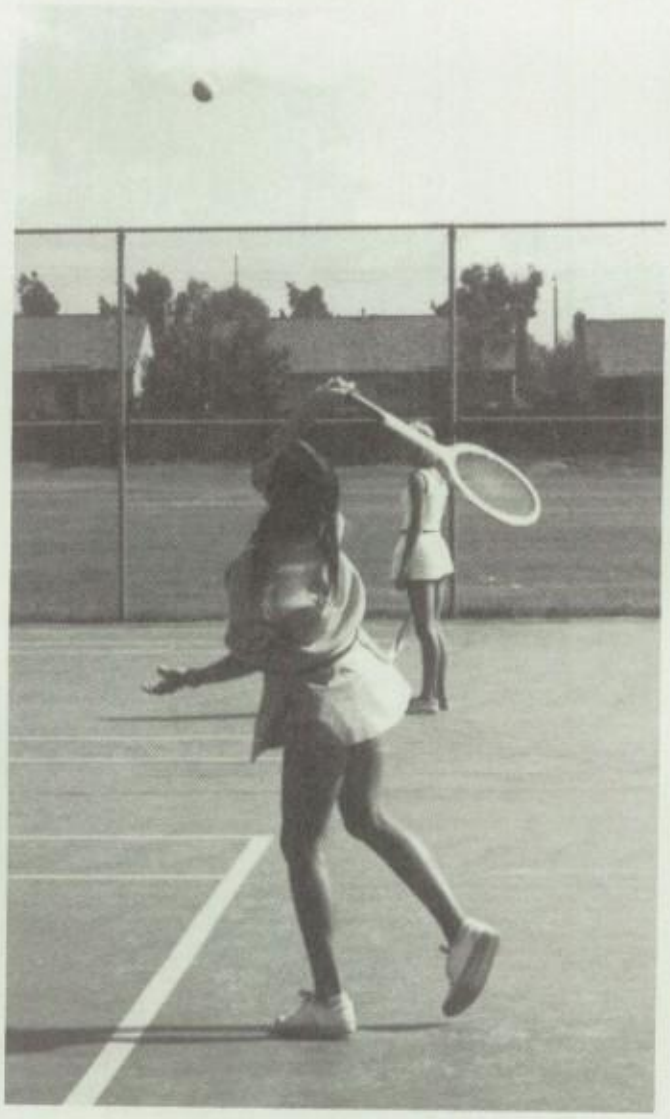

# Varsity Tennis serves up action

Ending the season with a 4-6 record, the Girls' Varsity Tennis Team did fairly well. Mrs. Janie Bryson coached the girls for two and a half hours each weekday and at sporadic times throughout the summer. The team was young so the girls had to work exceptionally hard to accomplish what they did. Ursula Donofrio, Lisa Gasser, Chris Pope, Staci Allen, and Sharon Kiefer were the team's leading players. However, Margaret Heinbaugh went to the semi-finals of league play, then to the finals and finally advanced to C.I.F.

In the Costa Mesa Volleyball Tournament the team took second place, and during league play the girls beat both schools that ended up taking second and third in their league. Miss Spencer is proud of all the girls, but thanks to Monica Osborn, Mary Tritt, Cindy Wong and Lisa Jurcazak the team had a strong foundation to build upon.

The team was composed of only three returning Varsity players, and the rest of the girls came up from the J.V. level. # Girls' Varsity Basketball makes CIF

The 1980-81 Girls' Varsity Basketball team was a group of tough, experienced young ladies. Their entire starting lineup was comprised of returning players, which gave them a strong point to build upon. Angela Rock, Julie Ehly, Liz Cipolla and Terri Young were the four starting seniors. Robin Holmes was the fifth and only junior in the starting line up. The team, under the direction of Miss Sharon Spencer, practiced every afternoon six days a week. Coach Spencer said that the practices were difficult, but well worth the effort. She also stated that all of the girls had improved throughout the season, but junior Terri Carlander showed special promise. As a unit the girls worked well together and displayed a great amount of skill. Coach Spencer felt that her starting seniors had promising futures in basketball and would receive scholarships.

# Varsity Softball fields a young team

The 1980-1981 Girls' Varsity Softball Team was a young group. They had only five returning players, only three seniors, and a first year softball coach. Ms. Eckman, the new coach, said she and the girls had to start at the bottom and build up. They practiced each day for two hours and began by reviewing basic skills. There were thirteen girls on the team and most of them were sophomores. The starting line up included Isella Gonzales, Lyn Callahan, Becky Kunsaitis, Robin Holmes and Mary Tritt. # Badminton is co-educational

This was only the second year for co-ed badminton, but the response was a good one. The number of male team members doubled, and most of the girls were returning players. These two factors helped to bring the playing level up and make the team evenly balanced. The team was coached by husband and wife Mike and Mindy McCallum. Laura Adams, John Aragon, Sandy Kent, and John Napierata were a few of the better players.

Girls' swimming was a very productive unit during the '80-'81 season. They practiced four hours a day, once in the morning and again in the afternoon. Coaches Sheri Ross and Deborah Pyykko worked closely with the girls and planned many tough workouts. There were thirteen girls returning to the team and the coaches said all the new swimmers showed good potential. Lisa Oakden, Annie Groepler, Erica Wilson, Mona Piecuch, Lisa Baziak, and Lisa Coopersmith were outstanding frosh-soph swimmers. # First season for Girls' Soccer

The Girls' Athletic Department added soccer to its 1981 curriculum, and the response was better than expected. A big enough group of girls went out for the sport and there was enough variation in skill to build both a junior varsity and varsity team. Diane Larson and Mary Rausch coached the teams for two and a half hours each day. They both said that the girls were skilled players, but needed to develop unity on the field. Kirsten Stallcup, Peggy Callahan, Luci Lento, Teri Focht and Terri Bryson were a few of this year's stars and next year's hopefuls.

# Songleaders work hard to represent ETHS

The Songleaders were a group of girls who worked hard to raise school spirit and pride. They did this by going to athletic contests and performing routines that they made up to music. They made treats, like cupcakes for the players, and they sold ribbons before the game. They were also responsible for the posters hung up around the school promoting the games. These girls, advised by Ms. Debbie Fletcher, had a very demanding and time consuming job and deserve a great deal of credit for El Toro's pride and spirit.

# Yearbook publishes best ever

The yearbook class was advised by Mr. Mike Gallups and the editor was Felicia Pusateri. The staff met every day during fifth period, but the students also put in many extra hours of their own time. The class worked separately on the sections of the book and sold advertisements to help raise money to keep down the price of the yearbook. They learned to make page lay-outs, shoot and crop pictures, write captions, and how to work together under stress. These students worked hard to make the 1980-81 yearbook a success.

# Dancers keep in step

The girls in Dance Production met during second period each day and sometimes after school at scheduled rehearsals. They annually had try-outs, a dancer's banquet, and a class invitational. They also put on a children's concert and a spring concert. They strived to learn to perform and choreograph dances, as well as to gain a better understanding of the art of dance.

The A.F.S. was led by Mrs. Lyn Lucas, French teacher. The student club was not in existence this year because there were not enough interested students.

The club takes in students from other countries and sends El Toro High School students to foreign countries. In the past, El Toro's had between one and four exchange students here on campus, depending on how many host families were found. El Toro sent off as many students as were qualified. Students are qualified by going through extensive interviews. This year Guy Rooney was the visitor to the El Toro campus. The students El Toro sent included Marla Allen, South Africa; Mark Amendola, New Zealand; Donna Abbod, Holland; and Steve Mytyk, Iceland.

# Girls' League promotes friendship

Girls' League was composed of an enthusiastic bunch of girls trying to promote friendship among all girls attending El Toro High School. They also encouraged participation in school activities. Presdient Diane Murphy, with the help of advisor Mrs. Sandra Sikes, led this group of spirited girls. Girls' League put on many outstanding events such as the Christmas Formal and the Mother-Daughter Spring Fashion Show. This club met every Monday during lunch to plan the program and activities which they took part in.

Instead of the traditional four pages issued bi-monthly, the 1980-81 Olé staff issued an eight page paper each month. El Toro Junior R.O.T.C. was a military oriented organization. This program provided students with background needed to further their careers in the exciting atmosphere of the armed forces. This organization strived to expand leadership skills and self-descipline. The students performed in many Drill Team and Color Guard competitions. Junior R.O.T.C. stressed honor and respect to duty. # FACULTY

# Our Faculty at

This year's faculty at El Toro High School is one of the finest, from Rita Alderson to Pete Zimmerman and everyone in between.

There is a wide variety of classes offered to the students this year. From Mrs. MaryAnn Farelli in Aphasia to Mrs. Sandra Sikes in Word Processing, to Mr. Jeff Grosse in Physics, to Mr. Al Desmarais in English Literature, to Mrs. Cathy Stephany in Psychology, none of which would be possible without the hard working staff.

Among the many responsibilities of our teaching staff are preparing class lessons, grading assignments, making tests and putting in extra hours to help the individual student.

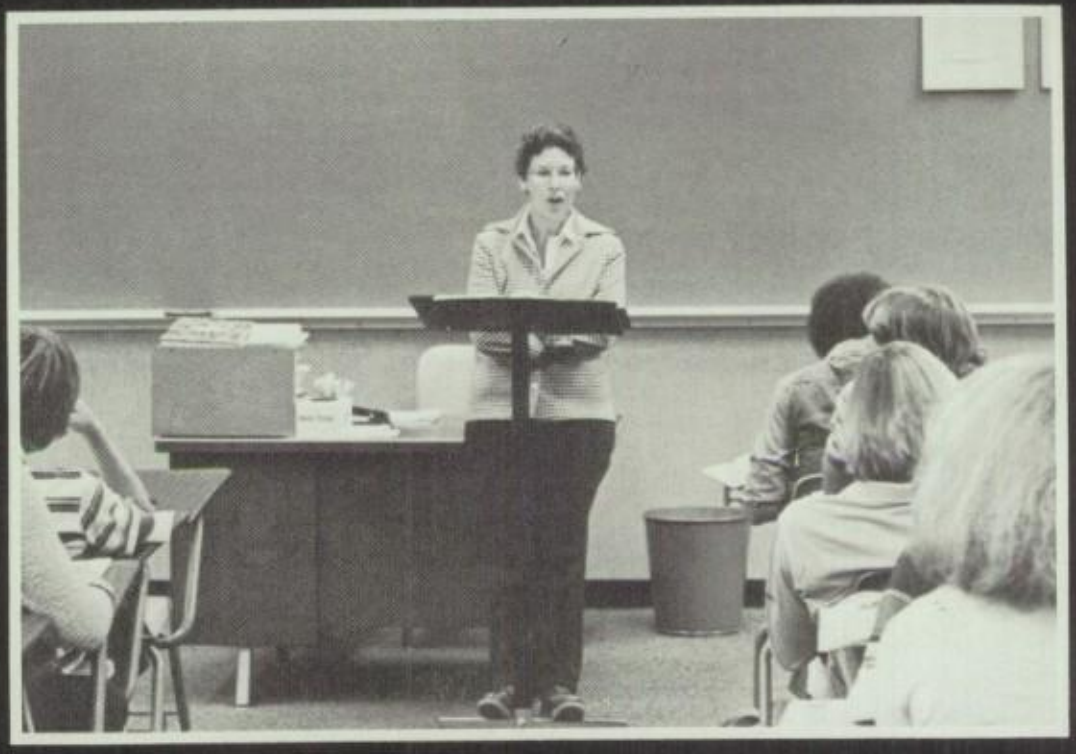

The El Toro faculty certainly deserves a lot of credit for their endless dedication to the student.

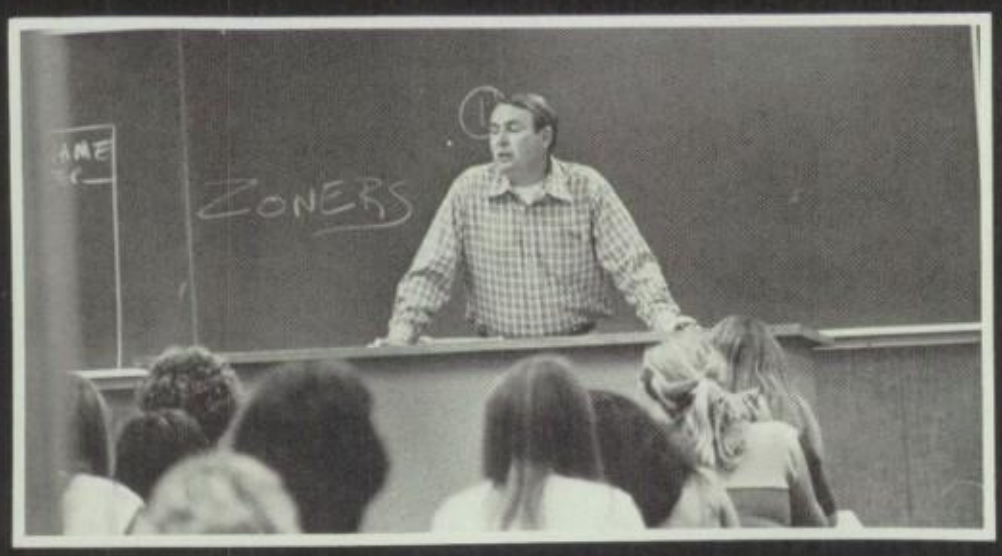

Terry Dazey, Don Walker, Tom McCaffrey and Tim Allen take a break at a Varsity Football game.

# *In Remembrance of Mrs. Dorothy Clinkaberry*

*I sat alone in the classroom today,*
*After the children had gone, one by one;*
*I bowed my head and thought what to say*
*To the teacher above- the Infinite One.*

*Lord, teach me to be as a child of thy school*
*That I may be tender and kind and true,*
*To the highest profession and calling and rule*
*Thou hast called any mortal humbly to do.*

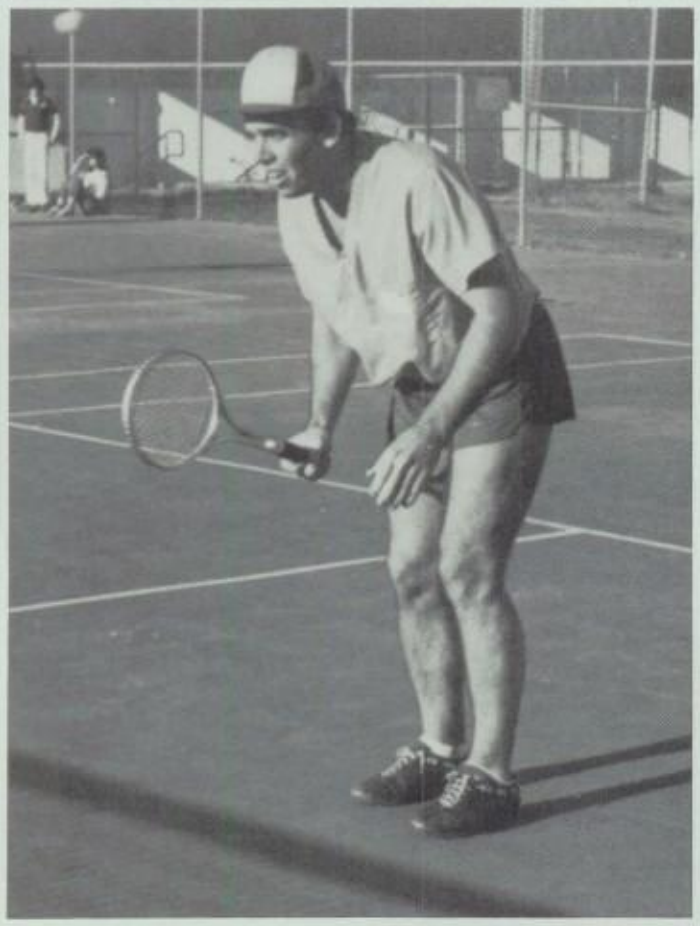

*And help me, above all, to carefully heed*
*My voice, my method, my action, my goal,*
*Remembering I am the book that they read*
*And each of my pupils has a mind- a soul.*

*-D.L. Van Lanon*

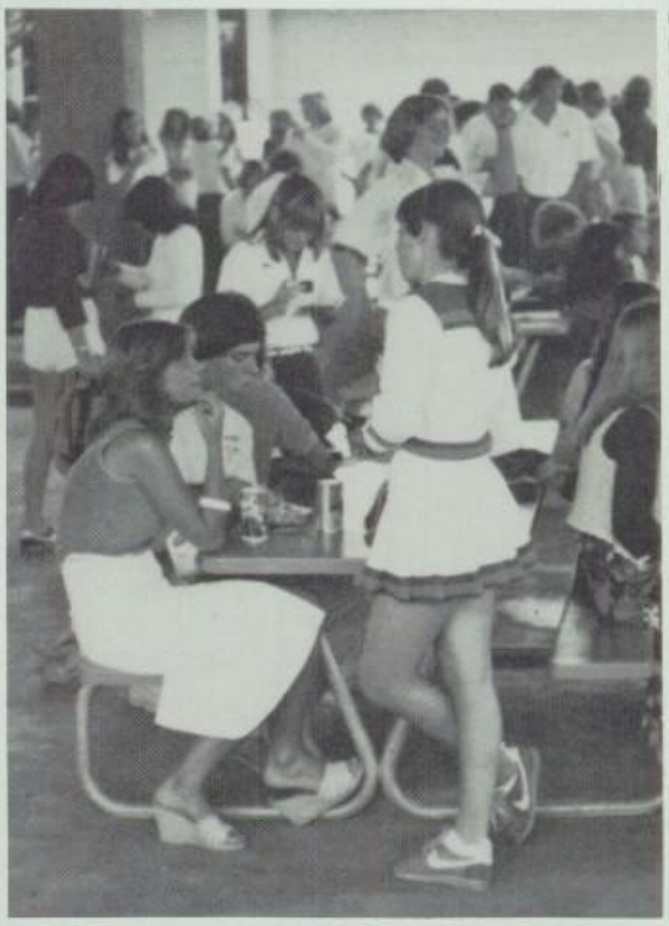

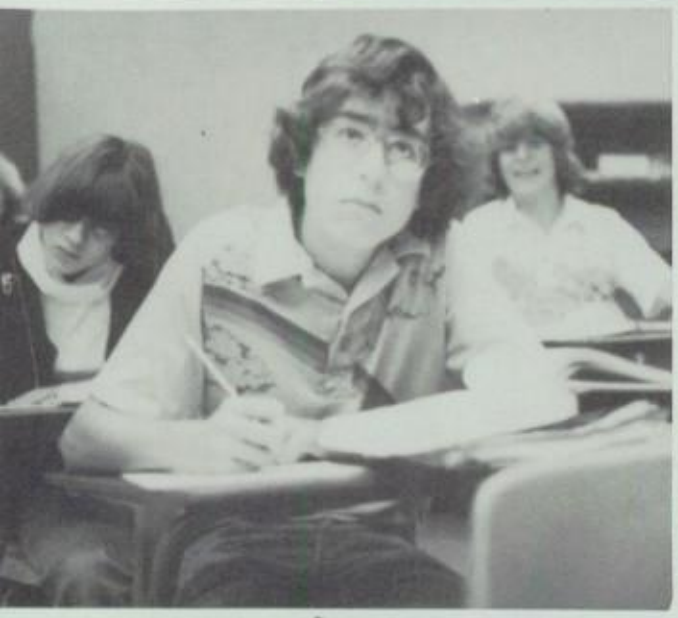

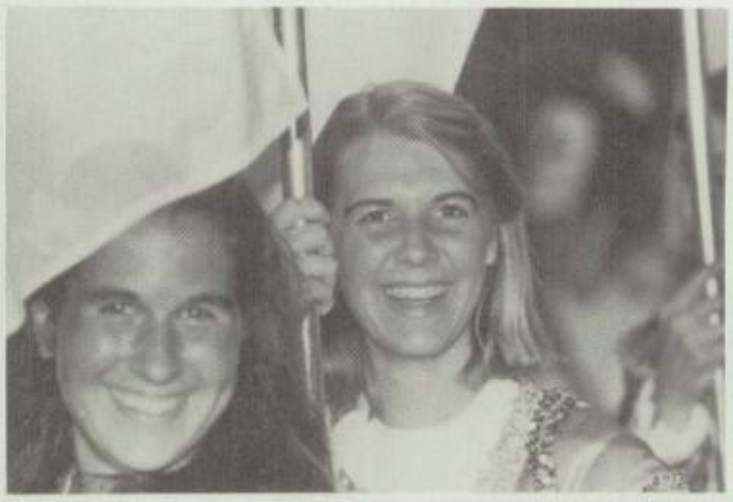

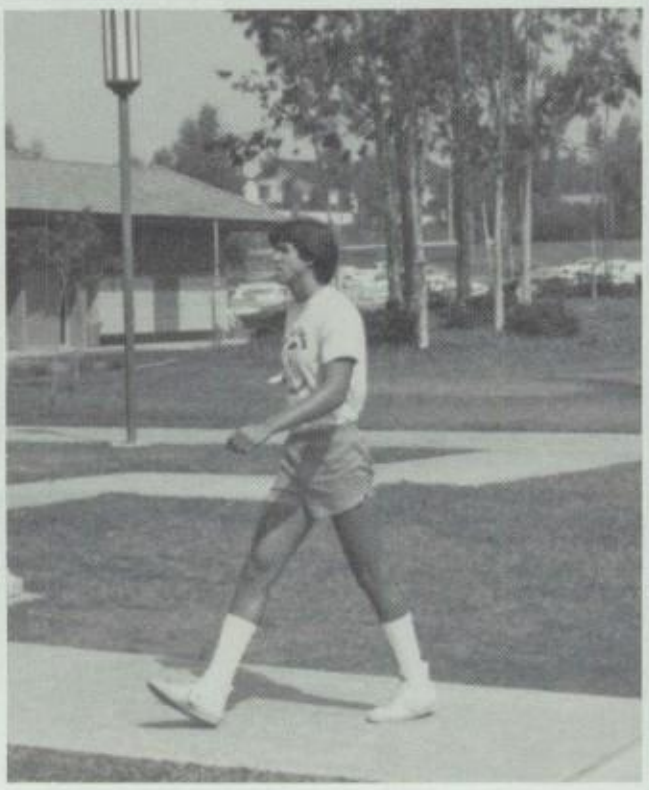

BIG BAD
SENIORS

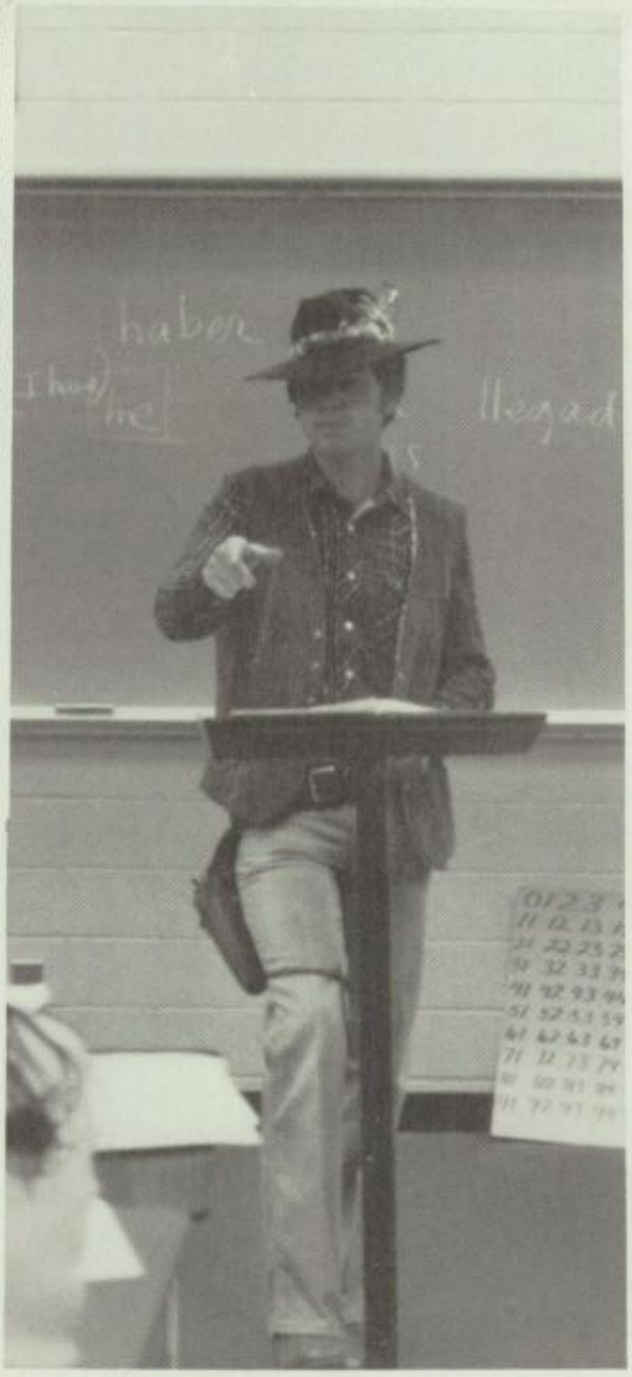

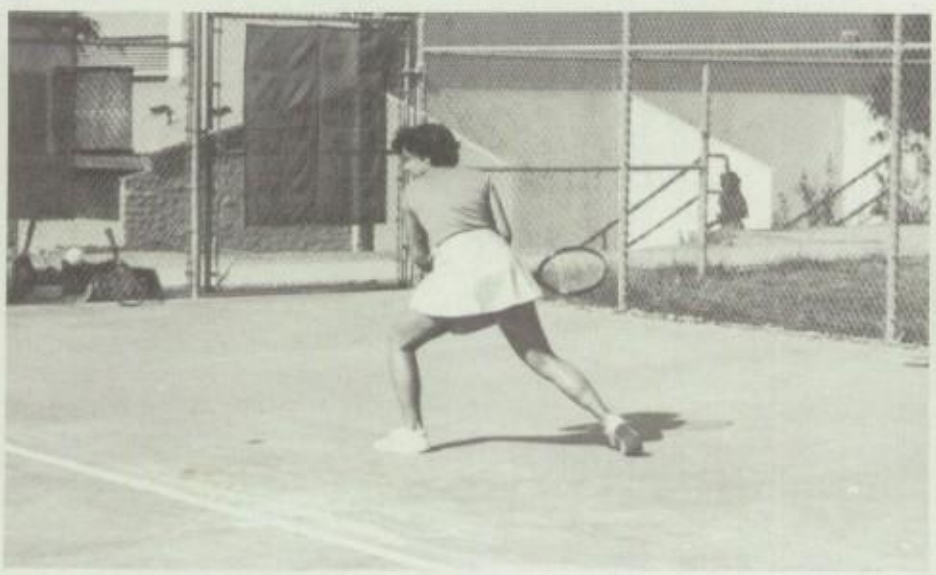

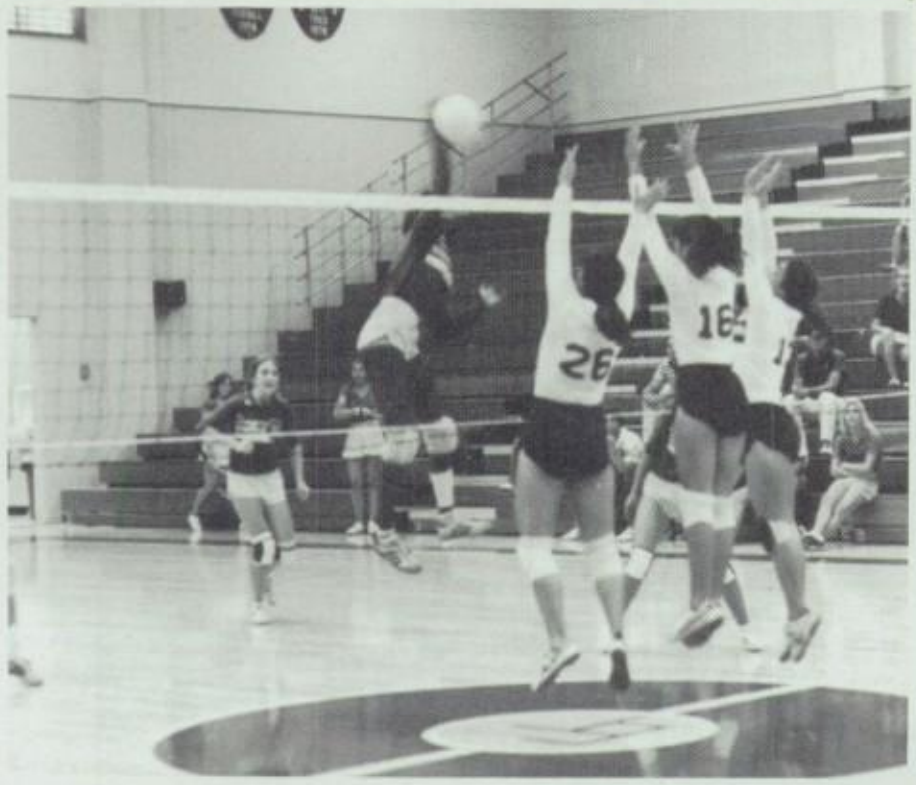

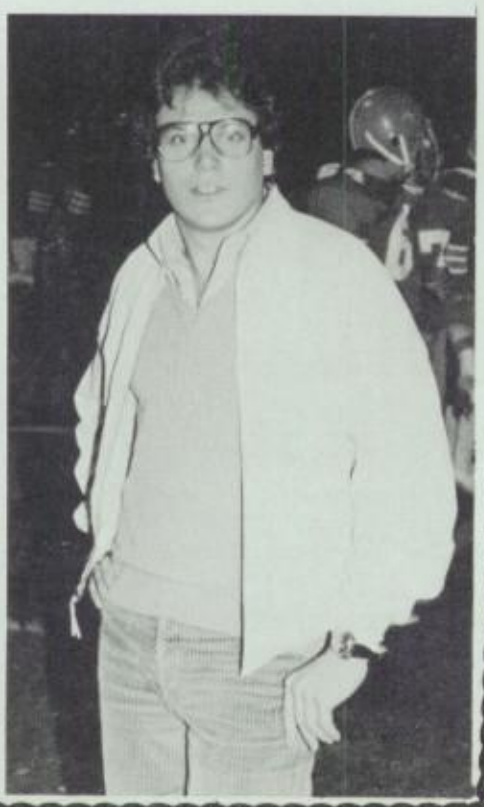

For the past four years I have worked on the yearbook staff. Much progress has been made over the years. The creavity, quality, and dedication involved has grown, thus making each book better than the last.

Because many people have helped to better the yearbook, I would like to thank them.

To the 1980-1981 Staff- I would like to thank each and every one of you for contributing virtually most of your free time, creativity, and dedication. You should be proud. The end product is beautiful.

To the American Yearbook Company and Steve Wagner- Thank you for your quality production, understanding, and help.

To Albert and James- The majority of the pictures in this book were developed and printed by you. Thank you for your cooperation and quality.

To Mr. Al Desmarais- I thank you once again for being so kind as to let us use your room for senior pictures.

To Mr. Dennis Dunton- I thank you for all the advice and help concerning photography you have given us throughout the year.

To Mrs. Helen Sena- I thank you for all your help. I really can't say how much I appreciate everything you have done for us.

To the Coaches and Club Advisors- Thank you for your cooperation and patience on team and club picture days.

To Mr. Keith Sims and Mrs. Nettye McKinney- Thank you for helping us with the financial side of the yearbook.

To Mr. Roger Alfaro, Mr. Rich Sianez and Staff- Thank you for all your help in setting up the facilities in the gym for the slide show.

To Craig Yeagarian- Thank you for always being ready to help out.

To the Secretaries- Over the years you have helped immensely in senior yearbook distribution. We could not have accomplished such a successful and rapid distribution without you.

To Mr. Dan Hair- Thank you for so graciously offering us the talent of the Art Department. The artwork really brightened up the book.

To Kaaren Luker, Kathleen Etchepare, and Chris Shore- Thank you for your generosity in sharing your talent with us. Your artwork really added personality to the book.

To Mr. Mike Gallups- I sincerely thank you for all your help, dedication, patience, and understanding. I know your job is not easy and I also know you are one of the best.

I thank you all so much for making the yearbook staff's job much nicer and easier.

Sincerely,

Felicia Pusateri
